AFFILIATED SECTIONS	GAA	The committee welcomed Danny McGowan to the meeting. Danny contributed a number of helpful suggestions around ways the GAA boosted their income through lottos etc. He expressed a desire on the part of the section to be more involved with the club – which would be beneficial to both organisations. It was agreed that increased use of the bar by GAA members was to be welcomed and that the section could hold their monthly Lotto draw in the clubhouse. Danny requested that the club should consider allowing the GAA to display shirts in the clubhouse and it was agreed to investigate this further to see if suitable space could be found.	All Committee
