Update on key Action Points outstanding after September committee meeting and committee lead for each item

1. Policy document to be prepared to ensure staff are aware of need to carry out testing of fire alarm and water supply. Brian Boland
2. Policy document to be prepared to ensure staff are aware of need to carry out testing of water supply. Brian Boland
3. Continue process of finalising arrangements for enabling club to take direct debits for player membership fees etc. Some progress made through Stripe payment system, but Frank McLaughlin to investigate further. Frank Mulligan
4. Maintain dialogue with players to continue efforts to improve amount collected in subscriptions and match fees. Situation improving, but need for more regular updates from John McLaughlin. John McLaughlin
5. Continue discussions with SRU and Development Officer to clarify future arrangements for funding and role of said officer. Discussions ongoing, but £13,500 received from SRU and £7,500 from school. Frank Mulligan
6. Monitor settings on heating control system through increased use of App. Brian Boland/Scott Lennox
7. Investigate possible funding and procedure for lighting upgrade in clubhouse. Sub-committee needed. Brian Boland
8. Up to date list of keyholders needed. Work started, and process ongoing. Elaine Farry
9. Erect new fence around second XV pitch. Posts and post installer have already been acquired. Scott Harkins
10. Investigate possibility of boosting sponsorship income through involvement of benefactor like Sir Tom Hunter. Danny McGowan from GAA offered to assist John McLaughlin with information about how the section boosted their funds in this way through events like the Kilt Walk. John McLaughlin
