Apologies for absence: Elaine Farry, Gordon Shanks, John McLaughlin, Brian Boland.

Minutes of January meeting – Proposed by Gerry Shepherd; Seconded by Loretta Mooney.

ITEM DESCRIPTION	MATTERS ARISING FROM REPORT	ACTIONS	LEAD
ACTION POINTS	Update on action points outstanding	See Separate report for details	
GROUNDS	No Written Report	David Jamieson updated committee on condition of pitches and advised that because of the horrendous wet weather recently, usage would have to be closely monitored – especially at weekends – and we may have to consider midweek matches under floodlights to spread the load. Investigation was continuing into ways of improving overflow car park	David Jamieson/ Scott Harkins
	Gym Lease	Notice had been served on owner of gym to vacate the premises as rent was not being paid. Date to quit was Feb 25 and after this, the locks would be changed and the building secured. The insurance needed to be checked to find out position after property was vacated.	Frank Mulligan/ Gerry Shepherd

HOUSE	No written Report Fire alarm and Water testing	 Frank Mulligan to meet Elaine Farry to progress arrangements. Tanya to log water testing and staff to ensure regular fire alarm tests and logging/	 Frank Mulligan/ Elaine Farry
BAR	No Written Report	While the bar and function income was absolutely crucial to the club's wellbeing (See under Finance section) the committee again discussed events such as baby showers/ Christenings and First Communions. It was noted that these functions tended to block the car park at busy times – and usually brought in little income over the bar. It was agreed that such events would only be considered if the request came from an existing member. In addition, staff were to be instructed that even requests from existing members could not be accepted until approved by a member of committee.	Frank Mulligan/ Elaine Farry
FINANCE	Revised Accounts and Budget for 26/27 See Separate Reports	Gerry Shepherd and Mags Gregor outlined details of the club's financial position and stressed: 1. The need to boost income through the bar, with sections to be urged to stage more events in the club. Apart from the section levies, and membership fees, bar and function income	Gerry Shepherd/ Margaret Gregor

		were our main sources of finance 2. The need to control expenditure very tightly and ensure that we had the funds available before agreeing to major projects. 3.The need for a more co-ordinated approach to fundraising, with a Fundraising Convener to be established as part of changes to be put to the Agm.	
MEMBERSHIP	See Separate Report	Logan Taylor updated members on income from subscriptions	
SPONSORSHIP/SOCIAL	No Written Report Sponsorship Income Social Event Co-ordination	 A harder line had to be taken to ensure income due was received. Frank Mulligan to meet John McLaughlin and map best way forward There was a need for all sections to work together to maximise club use and income. Frank Mulligan to discuss next year's approach with Johnny McGeechan	 Frank Mulligan/ John McLaughlin/ Johnny McGeechan
AFFILIATED SECTIONS	No Updates		
AOCB	Future Vision	This was to be kept on the agenda each month to allow the committee to discuss what elements needed to be done and priorities established; how much these elements would cost … and crucially, where we would source the funds for these works.	Logan Taylor/ Frank Mulligan

	Annual Dinner/ AGM	Dates were set for these events, with the AGM to be held on May 7 and the Club Dinner on May 16. It was felt that there was scope for a "Players' Dinner" event separately from the Annual Dinner.	Logan Taylor/ Frank Mulligan/ Tom Mooney
	Post-it Facility	Agreed that this was a good source of income and should be put to the Trustees for approval.	Frank Mulligan
	Rugby Development Officer	Agreed that this should be passed to the Rugby Committee for approval or otherwise as part of the funding for the post if it continued would come from that section.	
	Spond Software	Agreed that this should be adopted from the AGM onwards to digitise membership and improve collection of fees.	Frank Mulligan

Date of next meeting – March 25
